APPROVED ACTS OF EXECUTORS AND TRUSTEES

APPROVAL OF SPECIFIED ACTS

1. (1) The acts authorized by this Regulation that would otherwise require the approval of the Superior Court of Justice in the exercise of its inherent jurisdiction in charitable matters shall be treated, for all purposes, as though they had been so approved.

(2) Subsection (1) does not constitute authorization of an act that conflicts with one of the following in a particular case:

1. The will or the instrument in writing relating to the property.
2. A court order relating to the will or instrument or relating to the property.

(3) An executor or trustee must maintain records demonstrating that he, she or it has complied with the requirements of this Regulation when engaging in an act that is authorized under subsection (1).

AUTHORIZATION TO INDEMNIFY

2. (1) In the circumstances and subject to the restrictions set out in this section, an executor or trustee and, if the executor or trustee is a corporation, each director or officer of the corporation may be indemnified for personal liability arising from their acts or omissions in performing their duties as executor, trustee, director or officer.

(2) An executor, trustee, director or officer cannot be indemnified for liability that relates to their failure to act honestly and in good faith in performing their duties.

(3) In the circumstances and subject to the restrictions set out in this section, insurance may be purchased to indemnify the executor, trustee, director or officer for the personal liability described in subsection (1).

(4) The terms of the indemnity or insurance policy must not impair a person's right to bring an action against the executor, trustee, director or officer.

(5) The executor or trustee or, if the executor or trustee is a corporation, the board of directors of the corporation shall consider the following factors before giving an indemnity or purchasing insurance:

1. The degree of risk to which the executor, trustee, director or officer is or may be exposed.
2. Whether, in practice, the risk cannot be eliminated or significantly reduced by means other than the indemnity or insurance.
3. Whether the amount or cost of the insurance is reasonable in relation to the risk.

(6) The purchase of insurance must not, at the time of the purchase, unduly impair the carrying out of the religious, educational, charitable or public purpose for which the executor or trustee holds the property.

(7) No indemnity shall be paid or insurance purchased if doing so would result in the amount of the debts and liabilities exceeding the value of the property or, if the executor or trustee is a corporation, render the corporation insolvent.

(8) The indemnity may be paid or the insurance purchased from the property to which the personal liability relates and not from any other charitable property.

(9) If the executor, trustee, director or officer is deceased, the indemnity or the proceeds of the insurance may be paid to his or her estate.

(4) All gains, losses, income and expenses must be allocated ratably, on a fair and reasonable basis, to the individual properties in accordance with generally accepted accounting principles.

(5) The executor or trustee must maintain the following records for each of the individual properties, in addition to such other records as may be required by law:

LOI SUR LA COMPTABILITÉ
DES OEUVRES DE BIENFAISANCE

pris le 5 décembre 2000
déposé le 17 janvier 2001

ACTIONS APPRouvées DES EXÉCUTEURS
TESTAMENTAIRES ET DES FIDUCIAIRES

APPROBATION D'ACTIONS PRÉCISÉES

1. (1) Les actions autorisées par le présent règlement qui nécessiteraient par ailleurs l'approbation de la Cour supérieure de justice dans l'exercice de sa propre compétence sur les questions relatives aux oeuvres de bienfaisance sont traitées, à tous égards, comme si elles avaient été ainsi approuvées.

(2) Le paragraphe (1) n'a pas pour effet d'autoriser une action qui est incompatible, dans un cas particulier, avec l'un ou l'autre de ce qui suit :

1. Le testament ou l'acte écrit se rapportant aux biens.
2. Une ordonnance du tribunal se rapportant au testament, à l'acte ou aux biens.

(3) L'exécuteur testamentaire ou le fiduciaire tient des dossiers démontrant qu'il s'est conformé aux exigences du présent règlement dans toute action de sa part qui est autorisée aux termes du paragraphe (1).

(4) Le présent règlement n'oblige pas l'exécuteur testamentaire ou le fiduciaire à accorder une indemnisation ou à faire un paiement.

AUTORISATION D'INDEMNISER

2. (1) Dans les circonstances et sous réserve des restrictions énoncées au présent article, l'exécuteur testamentaire ou le fiduciaire et, si celui-ci est une personne morale, chaque administrateur ou dirigeant de la personne morale peuvent être indemnisés de toute responsabilité personnelle découlant de leurs actions ou omissions dans l'exercice de leurs fonctions à titre d'exécuteur testamentaire, de fiduciaire, d'administrateur ou de dirigeant.

(2) L'exécuteur testamentaire, le fiduciaire, l'administrateur ou le dirigeant ne peut être indemnisé à l'égard d'une responsabilité qu'il encourt pour n'avoir pas agi avec intégrité et de bonne foi dans l'exercice de ses fonctions.

(3) Dans les circonstances et sous réserve des restrictions énoncées au présent article, une assurance peut être souscrite afin d'indemniser l'exécuteur testamentaire, le fiduciaire, l'administrateur ou le dirigeant de la responsabilité personnelle visée au paragraphe (1).

(4) Les conditions de l'indemnisation ou de la police d'assurance ne doivent pas porter atteinte au droit qu'a une personne d'intenter une action contre l'exécuteur testamentaire, le fiduciaire, l'administrateur ou le dirigeant.

(5) L'exécuteur testamentaire ou le fiduciaire ou, si celui-ci est une personne morale, le conseil d'administration de la personne morale tient compte des facteurs suivants avant d'accorder une indemnisation ou de souscrire une assurance :

1. Le degré de risque auquel est exposé ou peut l'être l'exécuteur testamentaire, le fiduciaire, l'administrateur ou le dirigeant.
2. La possibilité d'éliminer le risque ou de le réduire considérablement, dans la pratique, par un moyen autre que l'indemnisation ou l'assurance.
3. La question de savoir si le montant ou le coût de l'assurance est raisonnable compte tenu du risque.
4. La question de savoir si le coût de l'assurance est raisonnable compte tenu des revenus qui sont à la disposition de l'exécuteur testamentaire ou du fiduciaire.
5. La question de savoir si le fait d'accorder l'indemnisation ou de souscrire l'assurance favorise l'administration et la gestion des biens.

(6) La souscription d'une assurance ne doit pas, au moment où elle se fait, compromettre indûment les fins religieuses, éducationnelles, publiques ou de bienfaisance pour lesquelles l'exécuteur testamentaire ou le fiduciaire détient les biens.

(7) Aucune indemnisation ne doit être accordée ni aucune assurance souscrite si, ce faisant, les dettes et les obligations dépassaient la valeur des biens ou, dans le cas où l'exécuteur testamentaire ou le fiduciaire est une personne morale, cette dernière devenait insolvable.

(8) L'indemnité ne peut être accordée et l'assurance, souscrite que sur les biens à l'égard desquels la responsabilité personnelle est engagée, et non sur les autres biens destinés à des fins de bienfaisance.

(9) L'indemnité ou le produit de l'assurance peut être versé à la succession de l'exécuteur testamentaire, du fiduciaire, de l'administrateur ou du dirigeant, advenant son décès.

COMBINAISON DE BIENS DÉTENUS
À DES FINS LIMITÉES OU PARTICULIÈRES

3. (1) La définition qui suit s'applique au présent article.

«bien d'apport» En ce qui concerne un bien particulier, s'entend d'un bien supplémentaire qui est ajouté à un bien particulier existant et qui en fait ainsi partie intégrante.

(2) Dans les circonstances et sous réserve des restrictions énoncées au présent article, l'exécuteur testamentaire ou le fiduciaire peut combiner des biens qu'il a reçus à une fin limitée ou particulière avec d'autres biens qu'il a reçus à une autre fin limitée ou particulière et il peut soit détenir les biens combinés dans un seul compte auprès d'une institution financière soit les placer comme s'il s'agissait d'un seul et même bien.

(3) La combinaison des biens ne peut avoir lieu que si elle favorise l'administration et la gestion de chacun des biens particuliers.

(4) Les gains, les pertes, les revenus et les dépenses sont tous répartis proportionnellement, sur une base juste et raisonnable, entre les biens particuliers, conformément aux principes comptables généralement reconnus.

(5) En plus des autres dossiers exigés par la loi, l'exécuteur testamentaire ou le fiduciaire tient, pour chacun des biens particuliers, des dossiers où sont consignés les renseignements suivants :

1. La valeur du bien particulier immédiatement avant qu'il ne devienne une partie intégrante des biens combinés et la date à laquelle il le devient.
2. La valeur de toute partie du bien particulier qui ne devient pas une partie intégrante des biens combinés.
3. La source et la valeur des biens d'apport afférents à un bien particulier et la date de leur réception.
4. La valeur des biens d'apport immédiatement avant qu'ils ne deviennent une partie intégrante des biens combinés et la date à laquelle ils le deviennent.

5. La portion des revenus produits par les biens combinés qui est affectée au bien particulier et la date de chaque affectation.
6. La portion des dépenses payées sur les biens combinés qui est affectée au bien particulier et la date de chaque affectation.

7. La valeur de toutes les sommes distribuées sur les biens combinés aux fins du bien particulier, ainsi que l'objet et la date de chaque distribution.

(6) En plus des autres dossiers exigés par la loi, l'exécuteur testamentaire ou le fiduciaire tient, pour les biens combinés, des dossiers où sont consignés les renseignements suivants :

1. La valeur de chaque bien particulier qui devient une partie intégrante des biens combinés et la date à laquelle il le devient.
2. La valeur des biens d'apport qui deviennent une partie intégrante des biens combinés, la date à laquelle ils le deviennent et les renseignements détaillés sur les biens particuliers auxquels se rattachent les biens d'apport.
3. Les revenus produits par les biens combinés, la portion affectée à chaque bien particulier et la date de chaque affectation.
4. Les dépenses payées sur les biens combinés, la portion affectée à chaque bien particulier et la date de chaque affectation.
5. La valeur de toutes les sommes distribuées sur les biens combinés aux fins d'un bien particulier, ainsi que l'objet et la date de chaque distribution.

45.1 (1) Subject to subsection (2), for the purposes of this Regulation, the passenger total for a taxation year with respect to a designated airport authority is,

(a) for 2001, the total number of enplaned and deplaned passengers reported for 1998 for the designated airport authority in the Statistics Canada publication entitled "Air Carrier Traffic at Canadian Airports 1998", Catalogue No. 51-203-XIB, published in July 2000, as set out in Table 1.1 entitled "Top 100 Airports Ranked by Enplaned and Deplaned Passengers, Selective Services"; and

(b) for a taxation year after 2001, the total number of enplaned and deplaned passengers reported for the designated airport authority in the Statistics Canada publication entitled "Air Carrier Traffic at Canadian Airports", as set out in the table entitled "Top 100 Airports Ranked by Enplaned and Deplaned Passengers, Selective Services", published during the immediately preceding taxation year.

(2) If a designated airport authority and the municipality in which it is located agree in writing by March 31 of a taxation year, the passenger total for that year shall be equal to the total number of enplaned and deplaned passengers for the designated airport authority for the immediately preceding year, as reported by the designated airport authority to the municipality.

(3) Subject to subsection (4), for each taxation year beginning with the 2001 taxation year, a designated airport authority shall make a payment in lieu of taxes to the municipality in which it is located in the amount determined by multiplying the passenger total for the year for the designated airport authority by the passenger rate set out in the following Table for that designated airport authority.

TABLE

Designated Airport Authority	Passenger Rate
Greater London International Airport Authority	\$1.66998
Ottawa International Airport Authority	1.07735
Thunder Bay International Airports Authority	0.55403

(4) If the amount determined for a designated airport authority under subsection (3) for a taxation year after 2001 exceeds 105 per cent of the amount paid for the immediately preceding taxation year, the payment in lieu of taxes for the taxation year shall be equal to 105 per cent of the amount paid for the immediately preceding taxation year.

(5) A designated airport authority shall pay to the municipality in which it is located the amount owing under this section for a taxation year,

(a) in equal quarterly instalments by March 31, June 30, September 30 and December 15 of the taxation year; or

(b) in the proportions and at the times agreed to in writing by the designated airport authority and the municipality.

(6) The first instalment for the 2001 taxation year under clause (5) (a) shall be paid on or before the later of March 31, 2001 and the day that is 30 days after the day this Regulation is filed.

(7) If a designated airport authority fails to make a payment at the time it is required to do so under subsection (5) or (6), the municipality may impose on the designated airport authority a penalty equal to the penalty that the municipality imposes on owners of property in the commercial property class for the non-payment of taxes under section 399 of the *Municipal Act*.

(8) If a designated airport authority fails to pay all of the amount required under this section for a taxation year on or before the last day of the taxation year, the designated airport authority shall pay forthwith an amount equal to the taxes for municipal and school taxes that would be payable for the taxation year if the property were taxable and the collector's roll for the municipality shall be amended to show the designated airport authority's liability to pay that amount.

(9) If Statistics Canada fails to publish the publication referred to in clause (1) (b) by December 31 of the immediately preceding taxation year, the payment under subsection (3) shall be calculated for the taxation year using the passenger total determined for the immediately preceding taxation year, and that amount shall be adjusted during the taxation year if the publication is subsequently published.

Télémandats

5. (1) L'agent de police qui veut obtenir un mandat d'arrestation contre un délinquant en vertu du paragraphe 11 (5) de la Loi peut faire une dénonciation sous serment par téléphone ou par un autre moyen de télécommunication à tout juge provincial ou juge de paix.

(2) Le juge ou le juge de paix qui reçoit une dénonciation faite par un moyen de télécommunication qui produit un écrit la fait déposer, dès que possible dans les circonstances, auprès du greffier du tribunal de la division territoriale où il siège, en y attestant l'heure et la date de réception.

(3) Lorsqu'il fait une dénonciation par un moyen de télécommunication qui produit un écrit, l'agent de police peut, au lieu de prêter serment, faire une déclaration écrite attestant que tous les éléments de la dénonciation sont vrais au mieux de sa connaissance et de ce qu'il tient pour véridique. Une telle déclaration est réputée être faite sous serment.

(4) La dénonciation faite par téléphone ou par un autre moyen de télécommunication comporte les éléments suivants :

- a) une déclaration des circonstances en raison desquelles il est peu commode pour l'agent de police de se présenter en personne devant un juge ou un juge de paix;

- a) d'une part, des motifs raisonnables de croire que le délinquant ne s'est pas conformé à l'article 3 ou 7 de la Loi;
- b) d'autre part, des motifs raisonnables pour dispenser de l'obligation de faire une dénonciation en personne et par écrit.

(6) Lorsqu'un juge ou un juge de paix décerne un mandat par un moyen de télécommunication qui produit un écrit :

- a) il remplit et signe le mandat rédigé selon la formule 4, et y inscrit au recto l'heure, la date et le lieu de sa délivrance;
- b) il transmet le mandat par ce moyen de télécommunication à l'agent de police qui a fait la dénonciation;
- c) dès que possible dans les circonstances après la délivrance du mandat, il fait déposer celui-ci auprès du greffier du tribunal de la division territoriale où il siège.

(7) Dans toute instance dans laquelle il est essentiel que le tribunal soit convaincu qu'une arrestation a été autorisée par un mandat

décerné par téléphone ou par un autre moyen de télécommunication, l'absence de dénonciation ou de mandat, portant la signature d'un juge ou d'un juge de paix et l'inscription au recto de l'heure, de la date et du lieu de sa délivrance, constitue, en l'absence de preuve contraire, la preuve que l'arrestation n'a pas été autorisée par un mandat décerné par téléphone ou par un autre moyen de télécommunication.

(8) Le double ou le fac-similé d'une dénonciation ou d'un mandat a la même valeur probante que l'original pour l'application du paragraphe (7).

(cocher la ou les cases pertinentes)

- ☐ a été déclaré(e) coupable de [préciser l'infraction ou les infractions sexuelle(s)] le(s) [date(s) de déclaration de culpabilité], soit à la date d'entrée en vigueur de l'article 3 de la *Loi Christopher de 2000 sur le registre des délinquants sexuels* ou après cette date;
- ☐ purgeait une peine pour [préciser l'infraction ou les infractions sexuelle(s)] à la date d'entrée en vigueur de l'article 3 de la Loi;
- ☐ a été déclaré(e) criminellement non responsable pour cause de troubles mentaux de [préciser l'infraction ou les infractions sexuelle(s)] le(s) [date(s) de déclaration], soit à la date d'entrée en vigueur de l'article 3 de la Loi ou après cette date,

et que le délinquant

(cocher la case pertinente)

- ☐ soit se trouvait en Ontario pendant 15 jours consécutifs entre [préciser les dates];
- ☐ soit se trouvait en Ontario pendant 15 jours non consécutifs durant une période de 30 jours [préciser les dates];

et qu'il est par conséquent un délinquant, au sens du paragraphe 1 (1) de la Loi, qui était résident de l'Ontario et qui, par conséquent, est tenu de se présenter à un bureau, poste de police ou détachement désigné du [insérer le nom du corps de police qui offre des services policiers là où il réside] au plus tard le [insérer la date limite pour l'inscription], date qui tombait :

- ☐ soit 15 jours après qu'il est devenu résident de l'Ontario le [insérer la date];

- ☐ soit 15 jours avant qu'il ne cesse d'être résident de l'Ontario le [insérer la date],

et qu'il ne l'a pas fait, en contravention à la Loi.

J'ai aussi des motifs raisonnables de croire que le délinquant a été avisé de son obligation de se présenter à un corps de police par le ou les moyen(s) suivant(s) :

ALLOCATION OF REVENUES

Interpretation

1. (1) In this Regulation,

"Ontario Hydro" means Ontario Hydro within the meaning of the *Power Corporation Act*, as that Act read on March 31, 1999;

"transition period" means the period April 1, 1999 to the day subsection 26 (1) of the Act comes into force.

(2) The following are successors within the meaning of this Regulation:

1. Ontario Power Generation Inc.
2. Hydro One Inc. and its subsidiaries.
3. Independent Electricity Market Operator.
4. Electrical Safety Authority.
5. Ontario Electricity Financial Corporation.

Purpose

2. (1) The purpose of this Regulation is to provide stability and fairness during the transition period in relation to the allocation among the successors of certain kinds of revenues that, before April 1, 1999, were entirely Ontario Hydro's.

(2) For this purpose, this Regulation provides for the money collected under section 4 to be allocated among the successors in a manner that is consistent with the functions each successor has taken over from Ontario Hydro.

Forecasted amounts

3. (1) For the purposes of this Regulation, a forecasted amount is an amount determined under this section.

(2) The successors shall by agreement from time to time determine,

- (a) forecasts of the amount of money to be collected by Ontario Power Generation Inc. under section 4;
- (b) forecasts of the amount of electricity to be delivered during the transition period by Ontario Power Generation Inc. to meet Ontario's primary electricity demand;
- (c) the forecasts referred to in paragraphs 3, 5 and 8 of section 6.

(3) If the successors fail to agree on a forecasted amount as required by subsection (2) within a reasonable time, any of Ontario Power Generation Inc., Hydro One Inc. or Ontario Electricity Financial Corporation may refer the matter to arbitration.

(4) The arbitrator shall determine whether conditions for referral under subsection (3) have been met and if, in the opinion of the arbitrator, they have been met, the arbitrator shall determine the forecasted amount for the purposes of subsection (2).

(5) Determinations of the arbitrator under this section are final and binding and shall not be reviewed in any court.

(6) Forecasts determined under this section shall be made in relation to each calendar year or part of a calendar year in the transition period and shall be reasonable having regard to the information available at the time of the determination.

Collection by Ontario Power Generation Inc.

4. (1) During the transition period, Ontario Power Generation Inc. shall collect money, on behalf of the successors, in accordance with Ontario Regulations 253/99 and 77/01 and in accordance with subsection (2).

(2) Ontario Power Generation Inc. shall collect amounts from Hydro One Inc. and its subsidiaries on account of electricity provided, during the period April 1, 1999 to May 31, 2001, to Hydro One Inc. and its subsidiaries by Ontario Power Generation Inc.

(3) The amounts to be collected in accordance with subsection (2) shall be calculated in accordance with rates agreed to by Ontario Power Generation Inc., Hydro One Inc. and Ontario Electricity Financial Corporation.

(4) If Ontario Power Generation Inc., Hydro One Inc. and Ontario Electricity Financial Corporation do not agree in writing on the rates referred to in subsection (3) by May 31, 2001, Ontario Electricity Financial Corporation shall refer the matter to arbitration.

(5) On a referral under subsection (4), the arbitrator shall determine the rates.

(6) Determinations of the arbitrator under subsection (5) are final and binding and shall not be reviewed in any court.

5. The money collected by Ontario Power Generation Inc. under section 4 during the transition period shall be allocated by Ontario

Power Generation Inc. among the successors, in accordance with the rules set out in section 6.

Rules

6. The following are the rules referred to in section 5:

i. Determine the average number of hours per day in the cycle that includes October 31, 2001 for which the principal or vice-principal is regularly scheduled, in accordance with the timetable, to provide instruction to pupils of the board. For the purposes of this subsection, a count of hours is accurate to one decimal place.

ii. Divide the number determined under subparagraph i by five.

5. An occasional teacher who is assigned to provide instruction to pupils of the board in a regular timetable in effect on October 31, 2001 is not counted if the teacher the occasional teacher replaces is included in determining the number of teachers employed by the board under subsection (4) and the board can reasonably expect the teacher to resume instructional duties with the board in the 2001-2002 fiscal year.

(8) If the number of full years of teaching experience of a teacher exceeds 10, the number of full years of teaching experience of the teacher is deemed to be 10.

(9) The number of full years of teaching experience of a principal or vice-principal is deemed to be 10.

(10) The following rules apply, as of October 31, 2001, to determine the qualification category of a teacher:

6. In the circumstances described in paragraph 4 or 5, the board may elect, by written notice to the Minister, to use the AEFO certification system, the QECO categories system referred to by QECO as QECO Programme Level 4 or the 1992 OSSTF certification system, instead of the classification system required under paragraph 4 or 5.
7. The qualification category of a principal or vice-principal is deemed to be A4/Group 4.
8. If the qualification category of a person is changed after October 31, 2001 and the change for salary purposes is retroactive to a day in the period between the first day of the 2001-2002 school year and October 31, 2001, the changed qualification category must be used for the purposes of this section.

«D» représente le produit du nombre de jours que compte l'horaire visé à la définition de «C» par 300.

(5) Si le présent règlement exige que les élèves soient dénombrés, mais qu'il ne prévoit pas que le dénombrement soit effectué en fonction de l'effectif quotidien moyen ou de l'effectif à temps plein ou l'équivalent, chaque élève, qu'il soit à temps plein, à mi-temps ou à temps partiel, compte pour un élève.

(4) Sous réserve des paragraphes (5) et (6), la somme liée à un programme d'enseignement admissible est calculée de la manière suivante :

1. Calculer les dépenses que le conseil a engagées au cours de l'exercice 2001-2002 au titre des salaires et des avantages

sociaux des enseignants qu'il emploie pour dispenser le programme. La somme calculée en application de la présente disposition ne doit pas dépasser celle qu'il pourrait engager au titre des salaires et des avantages sociaux des enseignants dans le cadre du plan de dotation visé à la disposition 4 du paragraphe (2).

2. Multiplier par 2 500 \$ le nombre d'enseignants à temps plein ou l'équivalent que le conseil emploie pour dispenser le programme. Pour l'application de la présente disposition, le dénombrement se fait selon les méthodes qu'il utilise habituellement aux fins de la dotation.

5. Calculer les dépenses que le conseil a engagées au cours de l'exercice 2001-2002 pour acheter des meubles ou du matériel pour les salles de classe utilisées dans le cadre du programme. Sauf approbation du ministre, le total de la somme calculée pour une salle de classe en application de la présente disposition et du total des sommes reçues à l'égard de cette classe en application de dispositions semblables de règlements antérieurs sur les subventions législatives ne doit pas dépasser 3 300 \$.
6. Additionner les sommes calculées en application des dispositions 1 à 5.

(5) Malgré le paragraphe (4), si le ministre offrait auparavant le programme d'enseignement dans l'établissement, la somme liée au programme d'enseignement admissible pour l'exercice est égale au coût du programme que propose le conseil et qu'approuve le ministre et non à la somme calculée en application du paragraphe (4).

(6) Malgré les paragraphes (4) et (5), la somme calculée par ailleurs en application du présent article pour un programme d'enseignement admissible est réduite de la somme que le ministre estime indiquée compte tenu des frais raisonnables que le conseil engage à l'égard du programme si celui-ci, selon le cas :

- a) a une envergure moins grande que ne le prévoit la documentation que le conseil soumet à l'examen du ministre pour l'application de la disposition 4 du paragraphe (2);
- b) n'est pas dispensé pendant l'année scolaire 2001-2002;
- c) cesse d'être dispensé pendant l'année scolaire 2001-2002.

à une école qui relève d'un conseil scolaire de district différent ou d'un conseil créé en vertu de l'article 68;

- b) un conseil créé en vertu de l'article 68 a engagé des dépenses pour acheter du matériel spécial à l'égard d'un élève d'un conseil scolaire de district qui s'inscrit, pendant l'exercice 2001-2002, à une école qui relève d'un conseil scolaire de district différent.

(2) Le matériel spécial visé au paragraphe (1) suit l'élève au nouveau conseil, sauf si ce dernier est d'avis qu'il n'est pas pratique de le déménager.

(3) Le paragraphe (4) s'applique si une demande d'AAS de niveau 1 a été approuvée pour un conseil scolaire de district à l'égard d'un élève qui s'inscrit, pendant l'exercice 2001-2002, à une école qui relève d'un conseil scolaire de district différent.

(4) Toute fraction non dépensée de la demande d'AAS de niveau 1 approuvée à l'égard de l'élève est déduite de la somme calculée en application du paragraphe 16 (2) pour l'ancien conseil et est ajoutée à la somme calculée en application du même paragraphe pour le nouveau conseil.

(5) Le paragraphe (6) s'applique si l'élève réunit les conditions suivantes :

- a) il était l'élève d'un conseil scolaire de district que le ministre a approuvé comme élève admissible à une AAS de niveau 2 ou de niveau 3 conformément à la publication du ministre intitulée «Manuel concernant l'Allocation d'aide spécialisée (AAS) dans le cadre de la Subvention pour l'éducation de l'enfance en difficulté — 2000-2001»;

"transfer by-law" and "transferor" have the meanings assigned by section 141 of the Act.

1. Sections 151 to 180 and 220 to 244 of the Federal Act do not apply.

2. References in the Federal Act and in the Federal Regulations to the "Minister of National Revenue" or to the "Minister" shall be read as references to the Minister of Finance.

3. If the Federal Act or the Federal Regulations require an election, designation or other document to be filed with the Minister of National Revenue, it must be filed instead with the Minister of Finance.

Private corporation

5. A municipal electricity utility shall be deemed to be a private corporation.

Taxation year

6. (1) The first taxation year of a municipal electricity utility ending after October 1, 2001 ends on the same day as the utility's first fiscal period ending after October 1, 2001.

- (2) The utility may change the day on which a subsequent taxation year ends only with the consent of the Minister of Finance.

Cost of transferred property

7. (1) The following property shall be deemed to be acquired by a municipal electricity utility on October 1, 2001 at a cost equal to the fair market value of the property on that date:

1. Property that is transferred to the utility under a transfer by-law.
2. Property that is acquired by the utility before October 1, 2001 but after any property is transferred to the utility under a transfer by-law.

- (2) In determining the fair market value of property referred to in subsection (1), a municipal electricity utility shall use a valuation method,

- (a) that is generally accepted as a reasonable method for determining the fair market value of the particular type of property; and
- (b) that is acceptable to the Minister of Finance.

- (3) If a transferor transfers property to a municipal electricity utility under a transfer by-law and if the utility describes the transferred property as falling within Class 24 or 27 of Schedule 11 to the Federal Regulations immediately before the transfer, the transferred property shall be deemed to be property in the same class after the transfer if the following conditions are satisfied:

1. The transferor acquired the property before 1999.
2. The Minister of Finance is satisfied that the primary use of the property by the utility is the prevention, reduction or elimination of pollution.

Special rules

8. (1) The following rule applies in determining a municipal electricity utility's income for its first taxation year ending after October 1, 2001:

1. The amount of any deduction claimed under section 20 of the Federal Act is determined as if the utility has always been a corporation subject to tax under that Act and had deducted in its prior taxation year the maximum amounts it would have been entitled to deduct under that section for that prior taxation year.

- (2) The following rules apply in determining a municipal electricity utility's income, taxable income and amount payable under section 93 of the Act for a taxation year ending after October 1, 2001,

1. The utility is not entitled to deduct an amount in respect of any expense or loss incurred before October 1, 2001.
2. The amount of any deduction from the amount that would otherwise be payable under section 93 of the Act is determined as if the utility were a corporation incorporated on October 1, 2001.

- (3) Subsections (1) and (2) do not apply to a municipal electricity utility that is subject to tax under the Federal Act or the *Corporations Tax Act* immediately before its first taxation year under section 93 of the Act ending after October 1, 2001.

No inter-provincial allocation

9. For the purposes of sections 39, 57.6 and 67 of the *Corporations Tax Act*, a municipal electricity utility that would otherwise have a permanent establishment in a jurisdiction other than Ontario shall be deemed not to have a permanent establishment in that jurisdiction if the utility is not subject to taxation under the laws of that jurisdiction on its income and on its capital.

Income earned through other entities

10. (1) Subsection (2) applies to a municipal electricity utility for a taxation year if the following conditions are satisfied:

1. The utility owns at the end of the taxation year,
 - i. at least one share of a corporation that generates, transmits, distributes or retails electricity at any time in the utility's taxation year,
 - ii. at least one share of a corporation that is related at the end of the utility's taxation year to a corporation described in subparagraph i, or
 - iii. shares having a fair market value equal to at least 10 per cent of the fair market value of all issued and outstanding shares of a corporation that is not a corporation described in subparagraph i or ii.
2. The corporation meets all of the following conditions for its taxation year that ends during or on the same day as the utility's taxation year:
 - i. The corporation is not subject to tax under the Federal Act by reason of subsection 149 (1) of that Act or is not subject to income tax under the laws of a jurisdiction in which the corporation would have a permanent establishment for the purposes of section 4 of the *Corporations Tax Act*.
 - ii. The corporation is not required to make a payment under section 89, 90 or 93 of the Act.

- (2) For the purposes of determining the utility's income and taxable paid-up capital for the taxation year, the corporation is treated as if it were a partnership in which the utility's ownership interest in the partnership is equal to the fraction of the partnership's income and capital calculated using the formula,

$$A/B$$

in which,

"A" is the fair market value of the issued and outstanding shares of the corporation that are owned by the utility, determined as of the last day of the corporation's taxation year ending in or on the same day as the utility's taxation year, and

"B" is the fair market value of all of the issued and outstanding shares of the corporation, determined as of that day.

Reduction on disposition of subsidiary

11. (1) This section applies if a municipal electricity utility disposes of shares of a subsidiary and, as a result of the disposition, subsection 149 (10) of the Federal Act applies to the subsidiary.

- (2) The amount, if any, otherwise payable by the utility under section 93 of the Act as a consequence of the disposition of the shares is reduced by the amount, if any, payable by the subsidiary under that section, determined as if the subsidiary's only income in the taxation year in which the disposition occurs is its income resulting from the deemed disposition of its assets under subsection 149 (10) of the Federal Act.

Change in tax status

12. The following rules apply if a municipal electricity utility ceases to be exempt under subsection 149 (1) of the Federal Act or under subsection 57 (1), section 57.11 or subsection 71 (1) of the *Corporations Tax Act* in circumstances in which a deemed disposition occurs under paragraph 149 (10) (b) of the Federal Act:

1. The utility shall be deemed to continue to be exempt until immediately after the deemed disposition.
2. The utility shall pay an amount determined under section 93 of the Act calculated by reference to any gain arising on the deemed disposition under paragraph 149 (10) (b) of the Federal Act.

Return

13. (1) If a municipal electricity utility is required to make a payment under subsection 93 (1) of the Act for a taxation year, it shall deliver to the Minister of Finance a return for the taxation year, in the form and containing the information required by section 150 of the Federal Act.

(2) If a municipal electricity utility is required to make a payment under subsection 93 (2) of the Act for a taxation year, it shall deliver to the Minister of Finance a return for the taxation year, in the form and containing the information required by section 75 of the *Corporations Tax Act*.

(3) A return required to be delivered under subsection (1) or (2) must be delivered within six months after the end of the taxation year to which the return relates.

Payments

14. (1) Section 78 of the *Corporations Tax Act* applies to municipal electricity utilities in respect of amounts payable under section 93 of the Act.

(2) Despite subsection (1), the following rules apply to amounts payable by a municipal electricity utility under section 93 of the Act for its first taxation year:

1. The first instalment for the taxation year is payable on or before October 31, 2001 and subsequent instalments for the year are payable on or before the end of each subsequent month in the taxation year.
2. The balance of the amount payable for the taxation year is payable on or before the end of the third month after the end of the taxation year.
3. Subclauses 78 (2) (a) (ii) and (iii), clause 78 (2) (b) and subsections 78 (3), (8), (9) and (10) of the *Corporations Tax Act* do not apply.
4. The utility is not required to pay monthly instalments on account of the amount payable under section 93 of the Act and may pay the total amount on or before the end of the third month after the end of its taxation year if the amount payable by the utility for the taxation year under section 93 of the Act is less than \$2000,
 - i. after the deduction of any credits to which the utility would be entitled if it were a corporation subject to tax under the Federal Act, and
 - ii. after the deduction of any credits and tax that would be deemed under Division E of Part II of the *Corporations Tax Act* to be paid by the utility if it were a corporation subject to tax under the *Corporations Tax Act*.
5. Subsection 79 (1) of the *Corporations Tax Act* applies unless it is reasonable to believe from the amount of the instalments paid by the utility and the timing of the payments that the utility exercised due diligence in estimating the amount of its instalments.

(3) Despite subsection (1), subclause 78 (2) (a) (iii) of the *Corporations Tax Act* does not apply to a municipal electricity utility in respect of amounts payable under section 93 of the Act for the utility's second taxation year.

«manuel» Le document intitulé «Local Housing Authority Administration Manual» publié par le ministère des Affaires municipales et du Logement et daté du 8 décembre 2000, à l'exclusion de l'article 04-08-01 portant la même date, mais à l'inclusion de l'article 04-08-01 portant la date du 1^{er} mars 2001. («manual»)

«système d'accès coordonné» Système permettant de décider si les ménages d'une aire de service qui ont demandé une aide sous forme de loyer indexé sur le revenu y sont admissibles et de fournir des renseignements à tous les fournisseurs de logements d'une aire de service, ou à ceux qui sont précisés, à l'égard de l'admissibilité de ces ménages à une telle aide et, s'il existe une liste d'attente commune, à l'égard du rang attribué à chaque ménage inscrit sur la liste. («co-ordinated access system»)

(2) La société locale de logement qui fournit des logements à des ménages qui ont besoin de services de soutien financés par la province pour des besoins particuliers est un fournisseur de logements avec services de soutien pour l'application des articles 3 à 9, mais uniquement à l'égard des logements qu'occupent ou que peuvent occuper ces ménages.

2. (1) Le présent règlement s'applique aux ensembles domiciliaires suivants :

- a) les ensembles dont la propriété est transférée en application de l'article 34 de la Loi aux sociétés locales de logement énumérées à l'annexe 1;
- b) les ensembles pour lesquels des accords d'exploitation sont transférés en application de l'article 34 de la Loi aux sociétés locales de logement énumérées à l'annexe 1.

(2) Si un intérêt sur un ensemble domiciliaire visé au paragraphe (1) est transféré ultérieurement à un autre fournisseur de logements en vertu de la disposition 3 du paragraphe 50 (2) de la Loi, les articles 3 à 9 s'appliquent, avec les adaptations nécessaires, à l'autre fournisseur de logements, mais uniquement à l'égard de cet ensemble.

(3) Si une société locale de logement fusionne avec une autre personne morale conformément à l'alinéa 26 (1) a) ou b) ou au paragraphe 26 (2) de la Loi, les articles 3 à 9 s'appliquent, avec les adaptations nécessaires, à la personne morale issue de la fusion, mais uniquement à l'égard des ensembles domiciliaires visés au paragraphe (1).

3. Les règles énoncées aux articles 4 à 9 sont prescrites pour l'application de la partie V de la Loi.

4. (1) La société locale de logement exerce ses activités commerciales et ses pouvoirs conformément aux articles du manuel indiqués à l'annexe 2.

5. (1) Dès que possible après qu'un logement dont elle est propriétaire devient vacant, la société locale de logement le loue à un ménage qui y est admissible selon les articles 05-01-01 à 05-03-01 du manuel.

(2) Lorsqu'un logement fait l'objet d'un accord de supplément au loyer qu'elle administre, la société locale de logement fait ce qui suit :

- b) elle exige du propriétaire qu'il ne demande un loyer pour le logement que conformément à la *Loi de 1997 sur la protection des locataires*;
- c) elle rajuste le loyer payé par le ménage qui occupe le logement de manière à le rendre conforme aux articles 04-01-01 à 04-08-04 du manuel.

6. (1) Si, la veille de l'entrée en vigueur du présent règlement, une commission locale de logement faisait fonctionner un système d'accès coordonné pour la même aire que celle d'une société locale de logement, cette dernière continue de le faire fonctionner et de le maintenir jusqu'à ce que le gestionnaire de services lié dresse une liste d'attente commune en application du paragraphe 68 (1) de la Loi.

(2) Si, la veille de l'entrée en vigueur du présent règlement, une commission locale de logement participait à un système d'accès coordonné pour la même aire que celle d'une société locale de logement, cette dernière continue d'y participer jusqu'à ce que le gestionnaire de services lié dresse une liste d'attente commune en application du paragraphe 68 (1) de la Loi.

(3) Si la société locale de logement est dissoute avant que le gestionnaire de services lié ne dresse une liste d'attente commune en application du paragraphe 68 (1) de la Loi, ce dernier continue de faire

fonctionner et de maintenir le système d'accès coordonné ou d'y participer, selon le cas.

(4) La société locale de logement, le gestionnaire de services ou le fournisseur de logements qui fait fonctionner et maintient un système d'accès coordonné ou qui y participe en application du présent article choisit les ménages qui recevront une aide sous forme de loyer indexé sur le revenu ou qui occuperont un logement adapté, selon le cas, conformément aux articles 05-01-01 à 05-02-03 et à l'article 05-03-01 du manuel.

7. La société locale de logement qui fait fonctionner et maintient un système d'accès coordonné ou qui y participe en application du paragraphe 6 (1) ou (2) choisit les ménages admissibles qui recevront une aide sous forme de loyer indexé sur le revenu uniquement dans la liste d'attente commune, si une telle liste a été dressée dans le cadre du système d'accès coordonné.

8. Malgré le paragraphe 5 (1), l'alinéa 5 (2) a) et le paragraphe 6 (4), la société locale de logement, le gestionnaire de services lié qui agit en application du paragraphe 6 (3) et le fournisseur de logements visé au paragraphe 6 (4) offrent un logement modifié ou un autre type de logement adapté au ménage qui a besoin d'un tel logement et qui figure au premier rang sur sa liste d'attente pour les logements adaptés.

9. Si un ménage qui occupe un logement modifié ou un autre type de logement adapté est admissible à une aide sous forme de loyer indexé sur le revenu, la somme qu'il paie pour occuper le logement est réduite de l'aide à laquelle il est admissible.

TAX MATTERS — PART XXII.3 OF THE ACT
— 2001 TAXATION YEAR

PART I
ADJUSTMENT TO TAXES IN RESPECT OF CHANGES
IN TAXES FOR MUNICIPAL PURPOSES
(SUBSECTION 447.65 (1), PARAGRAPH 3 OF THE ACT)

Application of Part

1. This Part provides for the adjustments to be made under paragraph 3 of subsection 447.65 (1) of the Act in respect of changes in taxes for municipal purposes.

Adjustment

2. (1) The amount determined under paragraph 2 of subsection 447.65 (1) of the Act shall be adjusted,

- (a) by increasing it by the amount determined in accordance with subsection (2) if that amount is positive; or
- (b) by decreasing it by the amount determined in accordance with subsection (2) if that amount is negative.

(2) The amount referred to in clauses (1) (a) and (b) is equal to the amount determined under paragraph 2 of subsection 447.65 (1) of the Act multiplied by the 2001 adjustment fraction determined under subsection (3).

(3) The 2001 adjustment fraction referred to in subsection (2) shall be determined in accordance with the following:

$$\text{2001 adjustment fraction} = \frac{(\text{Actual 2001 tax rate} - \text{2001 tax rate to raise the 2000 levies})}{\text{2001 tax rate to raise the 2000 levies}}$$

where,

"Actual 2001 tax rate" means the number determined under section 3,

"2001 tax rate to raise the 2000 levies" means the number determined under section 4.

Actual 2001 tax rate

3. For the purposes of subsection 2 (3), the Actual 2001 tax rate means a sum determined, in accordance with the following, for the property class and local municipality the property is in:

1. Identify each 2001 tax rate for municipal or school purposes on property in the property class in the local municipality.
2. A tax rate for the purposes of a special local municipality levy or a special upper-tier levy shall be identified under paragraph 1 only if it applies to at least 50 per cent of the total assessment of property in the property class in the local municipality taxable for municipal purposes.
3. For the purposes of paragraph 1, the 2001 tax rate for school purposes means the tax rate prescribed under section 257.12 of the *Education Act*.
4. The Actual 2001 tax rate is the sum of the tax rates identified under paragraph 1.

2001 tax rate to raise the 2000 levies

4. (1) For the purposes of subsection 2 (3), the 2001 tax rate to raise the 2000 levies means a sum determined, in accordance with the following, for the property class and local municipality the property is in:

1. For each general or special municipal levy for 2000 that applied to property in the local municipality, determine the 2000 levy amount in accordance with subsection (2).
2. For each levy, determine the weighted assessment, in accordance with subsection (3), for each property class with respect to which the levy applies.
3. For each levy, determine the 2000 residential rate by dividing the 2000 levy amount, determined under paragraph 1, by the sum of the weighted assessments determined for each property class under paragraph 2.
4. For each levy, determine a property class rate for each property class by multiplying the 2000 residential rate determined under paragraph 3 times the tax ratio for the property class for 2001.

5. For each property class, the 2001 tax rate to raise the 2000 levies is the sum of the property class rates determined under paragraph 4 for the property class and the 2001 tax rate for school purposes.

6. A property class rate for a levy shall not be included in the calculation under paragraph 5 if the total assessment, as set out in the assessment roll for 2001, as returned, for property in the property class in the local municipality with respect to which the levy applies is less than 50 per cent of the total assessment, as set out in the assessment roll for 2001, as returned, for property in the property class in the local municipality taxable for municipal purposes.

7. For the purposes of paragraph 6, the assessment for a property includes any adjustments under section 33, 34, 39.1 or 40 of the *Assessment Act* that have been made on the collector's roll prior to the issuance of the final 2001 tax notice under section 392 or 393 of the Act.

(2) For the purposes of paragraph 1 of subsection (1), the 2000 levy amount for a levy shall be determined in accordance with the following:

1. Apply the 2000 tax rate for the levy for each property class to the total assessment for property in the property class to which the levy applied.
2. If the property class is not subject to Part XXII.3 of the Act, the assessment, for the purposes of paragraph 1, is the assessment set out in the assessment roll for 2000, as returned, with the changes in assessment that would produce the changes in taxes referred to in paragraphs 2 and 3 of subsection 372.2 (6) of the Act.
3. If the property class is subject to Part XXII.3 of the Act, the assessment, for the purposes of paragraph 1, is the assessment set out in the assessment roll for 2000, as returned, with the changes in assessment that would produce the changes in taxes referred to in paragraphs 2, 3, 5 and 6 of subsection 447.65 (2) of the Act.
4. The 2000 levy amount for a levy is the sum of the amounts determined under paragraph 1 for each property class.

(3) For the purposes of paragraph 2 of subsection (1), the weighted assessment for each property class with respect to which the levy applies shall be determined in accordance with the following:

1. Multiply the assessment for the properties in the property class to which the levy applied, as set out in the assessment roll for 2001, as returned, by the tax ratio for the property class for 2001.
2. For the purposes of paragraph 1, the assessment for a property includes any adjustments under section 33, 34, 39.1 or 40 of the *Assessment Act* that have been made on the collector's roll prior to the issuance of the final 2001 tax notice under section 392 or 393 of the Act.
3. For the purposes of paragraph 1, the assessment for a property with respect to which section 368.1 of the Act applies shall be reduced by an amount equal to the assessment with respect to which the percentage reduction in subsection 368.1 (1) of the Act applies multiplied by the percentage reduction.

Graduated tax rates

5. For the purposes of this Part, the tax rate for a property with respect to which a by-law under section 368.2 of the Act applies is the tax rate that would have applied if section 368.2 of the Act did not apply.

Previously unorganized territory

6. The following apply with respect to a property that was in territory without municipal organization and became part of a municipality in 2000 or 2001:

1. No adjustment shall be made under paragraph 3 of subsection 447.65 (1) of the Act in respect of changes in taxes for municipal purposes.
2. The property shall be deemed to not be part of the municipality for the purposes of this Part.

PART II**DETERMINATION OF TAX RATES IF SUBSECTION 366 (4.1) OR 368 (4.1) OF THE ACT APPLIES****General tax rate if subs. 366 (4.1) or 368 (4.1) of the Act applies**

7. (1) This section provides for the manner in which the tax rates on property in a property class are to be determined under subsections 366 (4.1) and 368 (4.1) of the Act if the conditions set out in those subsections are satisfied.

(2) If the tax rate for the general levy for the property class would otherwise exceed the property class rate determined under paragraph 4 of subsection 4 (1) for the general levy, the tax rate for the general levy for the property class shall be the property class rate.

Special levy for tax increase

8. (1) If subsection 7 (2) applies with respect to a property class, the municipality shall, by special levy, raise an amount equal to the difference in what the revenue would be, in relation to the property class, if subsection 7 (2) did not apply.

(2) The special levy shall be raised under subsection 366 (3) or 368 (3) of the Act, as applicable, on all property other than property in a property class or classes in respect of which subsection 7 (2) applies.

(3) If the general levy of a municipality for 2000 was less than the general levy for 1999, the following apply:

1. The municipality may raise, under subsection (1), the amount described in paragraph 2 instead of the amount described in subsection (1).
2. The amount referred to in paragraph 1 is an amount equal to what the reduction in revenue under subsection 7 (2) would be if paragraphs 1 to 4 of subsection 4 (1) were applied in relation to the 1999 general levy instead of the 2000 general levy.

- ♦ chaque partie a la garde d'un ou de plusieurs enfants;
- ♦ le revenu annuel du payeur ou de la payeuse, calculé aux termes des lignes directrices, dépasse 150 000 \$;
- ♦ l'une ou l'autre partie prétend qu'une ordonnance fixant la somme à celle qui figure dans les lignes directrices occasionnerait des difficultés excessives.

19. Mon revenu total :

- ☐ sera de \$ cette année;
- ☐ était de \$ l'année dernière;
- ☐ était de \$ l'année d'avant.

20. Je joins les renseignements financiers suivants à mon sujet :
